Apoeka Child Academy wants to wish you all a Happy New Year. We would like to challenge all of our teachers this year to have a resolution of making a difference. Last month for the 2nd year some of our classes worked together to gather food for a local community food bank. Differences can be made in small ways as well as big. Come up with ideas and involve your class in these acts of kindness.

Observations for the month must be completed and turned in to the front office by Friday, January 25th
